The VOLPOWER project will hold an online international conference on 27th May 2021 in which volunteering activists, NGOs and social inclusion scholars share reflections on the world of volunteering and challenges faced to providing volunteering services to migrants in the age of COVID-restrictions and limited possibilities for social gatherings. We will host volunteer practitioners, experts, NGOs and academics working in the field of migration and integration work to share knowledge and best practice.

The event will comprise of keynote lectures from expert practitioners, practitioner-led workshops and knowledge-sharing sessions.
